

6W Woven Track Ball Lamp, 3000K 90 CRI, DC24V, IP20

OVERVIEW

The 9-TK-HA-3K-B-LAMP is a 6W woven track ball lamp from the Halo Series, designed for low-voltage DC24V track lighting systems. With a 95mm diameter globe form factor and modern aesthetic, it is suited for commercial and hospitality interiors including offices, hotels, apartments, retail, and similar applications.

The lamp operates at 6W with a light efficacy of 90 lm/W, a 3000K warm white color temperature, and a CRI of 90, supporting accurate color rendering in accent and ambient lighting scenarios. A 150° beam angle provides broad light distribution. The PC construction carries an IP20 rating, appropriate for dry indoor environments. Sanan LED chip technology is specified. Rated lifespan is 20,000 hours.

No third-party certifications are confirmed in available documentation. The product carries a 2-year manufacturer warranty.

SPECIFICATIONS

Power	6 W	IP rating	IP20
Luminous flux	540 lm	Input voltage	24 V
CCT	3000 K	Dimensions	:c"]s ÖĐ
CRI	90	Rated life	20000 h
Beam angle	150 °	Warranty	2 years
