

Halo Series Semicircular Woven Track Lamp, 18W 3000K DC24V

OVERVIEW

The Halo Series Semicircular Woven Track Lamp (UT16-PDTK300) is a DC24V pendant-style track fixture designed for modern commercial and residential interiors. Its semicircular woven form factor suits open-ceiling installations in offices, hotels, apartments, retail spaces, and workshops where architectural lighting detail is a priority.

The fixture operates at 18W with a 3000K warm white color temperature, CRI 90, and a rated efficacy of 90 lm/W. A 120° beam angle provides broad ambient distribution. The aluminum housing carries an IP20 rating, suitable for dry indoor environments. The LED chip is sourced from Sanan. Rated lifespan is 20,000 hours. Available in black.

No third-party certifications are confirmed in available documentation. The product carries a 2-year manufacturer warranty.
