

Decorative Recessed Lighting Trim, Pure Ring Collection C26, Black and Gold Finish, 9 Inch

- Part of the Pure Ring Collection C26 decorative trim series
- Finished in a black and gold two-tone combination
- Sized for 9-inch recessed lighting housings
- Suited for coordinated recessed trim installations

OVERVIEW

The Pure Ring Collection Trim C26 is a decorative recessed lighting trim finished in black and gold, sized for 9-inch recessed housings. It is designed to complement a coordinated trim collection intended for both retrofit and new construction recessed lighting applications.

The black and gold finish combination provides a two-tone decorative accent suited to interior spaces where a refined recessed lighting appearance is desired, such as lobbies and hospitality environments.
