OVERVIEW

The A-E4-Cover-BN is a round snap-on cover finished in brushed nickel, designed specifically for use with the A-E4 series recessed downlights. It conceals internal components while providing a clean, finished appearance suitable for commercial and residential installations.

The snap-on mechanism allows for straightforward installation and a secure, stable fit. The cover offers a wider coverage area than 4-inch alternatives and provides protection against dust, moisture, and other environmental factors.

The A-E4 series is backed by a 1-year warranty and rated for a 50,000-hour LED lifetime.
