

GL2 Series 3-Inch Round Recessed LED Downlight Kit, 6000K with D-D6M Driver

- 3-inch round recessed downlight housing
- 6000K cool white color temperature
- Paired with D-D6M/0.3 driver as a matched kit
- Aluminum housing construction
- White finish

OVERVIEW

The A-GL3-R6-60K-D-KIT is a 3-inch round recessed LED downlight kit from the GL2 Series, paired with a D-D6M/0.3 driver. This kit is suited for commercial and light industrial interior applications where a compact recessed fixture and matched driver are required as a complete, ready-to-install assembly. The 6000K color temperature delivers a cool white output appropriate for task-oriented environments such as offices, corridors, and retail spaces. The fixture housing is constructed from aluminum and finished in white.
