

GL3 Series 3" Round Recessed Light Kit, 6000K CCT with 0-10V Dimming Driver

- 3-inch round recessed light kit form factor
 - 6000K color temperature for daylight-range output
 - Includes D-D6M/0.3 dimming driver
- 0-10V dimming control compatibility
 - Suited for commercial and light industrial recessed applications

OVERVIEW

The A-GL3-S6-60K-D-KIT combines a GL3 Series 3-inch round recessed light engine with a 0-10V dimming driver (D-D6M/0.3). The fixture operates at 6000K color temperature, suited for daylight-range illumination in commercial and light industrial recessed lighting installations.

The included driver supports 0-10V dimming control, allowing integration with standard low-voltage dimming systems for adjustable light output in retail, office, or warehouse ceilings.
