

Pendant Mount Ceiling Canopy with 3 ft Wire for LED Pendant Light, White

OVERVIEW

The A-PL-PM-WH is a pendant mount ceiling canopy in white finish, designed to support compatible LED pendant light fixtures via a 3 ft wire. It is suited for commercial and retail environments including clothing, shoe, furniture, and jewelry stores, hotels, restaurants, museums, galleries, and similar accent or general illumination applications.

The fixture utilizes CREE COB LED technology for shadow-free output with strong light penetrability. It supports Triac dimming with a smooth range from 100% to 10% and is compatible with major dimmer brands including Lutron, Leviton, Smart Home, and Arctic Lighting. The built-in driver carries a UL certification, operates at high power factor (PF 0.98), and provides flicker-free, instant-start, noise-free performance. An anti-glare design is incorporated into the housing. The canopy measures 5.59 in. x 6.30 in. and is finished in white.
