

H-Type Track Mount Adapter with 3 ft Wire for LED Pendant Light, Black

OVERVIEW

The A-PL-TM-BK is an H-type track mount adapter with 3 ft wire designed for use with the LW-PD series LED pendant lights, finished in black. It provides a compatible mounting solution for H-type track systems and is suited for retail, hospitality, gallery, and commercial interior applications.

The associated pendant light series utilizes CREE COB LED chips with an anti-glare design, delivering strong light penetrability and no shadow. The driver is UL certified, operates at high power factor (PF 0.98), starts instantly, and runs without flicker or audible noise. Triac dimming is supported across a 100% to 10% range, compatible with Lutron, Leviton, and other common dimmer brands. The fixture body measures 5.59" x 6.30" and is available in black or white.

No certification data specific to this mounting adapter SKU was confirmed in the available source documentation. Consult product labeling and installation instructions for applicable electrical code compliance requirements.

SPECIFICATIONS

Power	15, 20, 30, 40, 50 W	Beam angle	15, 30, 45 °
Luminous flux	1500, 2000, 3000, 4000, 5000 lm	Input voltage	120, 200-240, 100-277 V AC
CCT	2700, 3000, 4000, 5000 K	Dimensions	5.59" x 6.30"
CRI	83, 95 Ra		

INSTALLATION

- Built-in driver, anti-glare design
- Finish available: Black, White
