

Baffle Trim LED Retrofit Downlight, 5-6 In., 15W, White Finish

- Fits 5-inch to 6-inch recessed can housings for retrofit installs
- Operates at 15 watts
- CRI rated at 80 for standard color rendering
- White baffle trim finish
- LED lifetime rated at 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

The A-R6-R15-30K-B is a baffle trim LED retrofit lamp designed to fit 5-inch and 6-inch recessed ceiling housings. It is intended for commercial and residential retrofit applications where an existing recessed can fixture is being upgraded to LED without full fixture replacement.

This lamp operates at 15 watts and delivers a CRI of 80, with an LED lifetime rating of 50,000 hours. It is finished in white to match standard ceiling trim installations.

The product carries a 1-year warranty. It is currently discontinued; confirm availability with your PoliLED representative before specifying.
