

## 4-Inch Tunable CCT Surface Mount Disk Downlight, 10W 650lm 5-Color Selectable

### OVERVIEW

The A-SM4-R10W-5CCT-D is a 4-inch surface mount disk downlight designed for new construction and recessed can retrofit installations. With a low-profile, driverless design, it mounts to a standard 2.75", 3.5", or 4" junction box and is suited for healthcare, hospitality, office, retail, and residential applications.

The fixture operates at 10W on 120V/60Hz, delivering 650 lumens at 90+ CRI across five selectable color temperatures: 2700K, 3000K, 3500K, 4000K, and 5000K. The 110.9° beam angle supports broad, even illumination. Triac dimming allows smooth adjustment from 100% down to 10% with compatible LED dimmers. Rated for wet locations, the unit carries a rated lifespan of 50,000 hours.

The A-SM4-R10W-5CCT-D is ETL Listed and ENERGY STAR certified. It is backed by a 5-year limited warranty.
