

## 6-Inch Tunable CCT LED Disk Downlight, 15W 5-Color Selectable, Dimmable

### OVERVIEW

The A-SM6-R15W-5CCT-D is a 6-inch dimmable LED disk downlight designed for new construction and recessed can retrofit applications. Its low-profile, driverless design surface-mounts to a standard 6-inch junction box and suits healthcare, hospitality, property management, office, and retail environments.

The fixture operates at 15W on 120V/60Hz, delivering 1,100 lumens with a 90+ CRI and a 90-degree beam angle. Color temperature is field-selectable among five settings: 2700K, 3000K, 3500K, 4000K, and 5000K. Continuous Triac dimming from 100% to 10% is supported with compatible LED dimmers. Rated for wet locations, the unit carries a rated lifespan of 50,000 hours and a power factor greater than 0.9.

The downlight is ETL Listed and Energy Star certified. A 5-year limited warranty is included.
