

Drop Ceiling Retention Clips for 2x2 45W Panel Light (Set of 2)

- Set of two retention clips supplied per package
- Sized for 2×2 foot, 45W panel light fixtures
- Secures fixture within standard suspended ceiling grid openings
- Matched for the 9-P2 45W panel light with a 1-year warranty
- Paired fixture rated for 50,000-hour LED lifetime

OVERVIEW

The A-Z-Clip is a set of two retention clips designed to secure 2×2 panel lights in drop ceiling grid applications. Specifically referenced for use with the 9-P2 2×2 45W panel light, these clips hold the fixture in place within a standard suspended ceiling grid opening.

The clips are supplied as a matched pair for a single fixture installation, ensuring even retention pressure across the panel light frame within the grid opening.

The 9-P2 45W panel light this clip set is designed for carries a 1-year warranty and an LED lifetime rating of 50,000 hours.
