

## WPC No-Gap Deck Edge Board, Dark Grey, 86.6 x 2.75 x 0.43 In.

### OVERVIEW

The B-D1-DG-EDGE is a WPC (Wood Composite Polymer) deck edge board designed for exterior decking applications. Finished in Dark Grey, it provides a clean, finished perimeter edge for composite deck installations and is suited for residential and commercial outdoor environments.

Constructed using a co-extrusion process, the board features a high-density recycled plastic and wood fiber inner core with a protective polymer outer layer, delivering waterproof performance, UV resistance, and anti-scratch durability. The surface incorporates a 3D wood grain texture with slip resistance. The product is rated for a 25-year service life and requires no routine maintenance. Board dimensions are 86.6 x 2.75 x 0.43 inches.

No certifications have been confirmed for this specific SKU at this time. A 5-year warranty is referenced in the manufacturer documentation.
