

Antique Privacy Model Aluminum Post Sign Kit

- Antique-style finish for a classic sign appearance
- Privacy model sign configuration
- Aluminum post construction for durability
- Supplied as a complete post and sign kit

OVERVIEW

The B-F1-AT-PR-AL-KIT is an antique-style privacy model sign post kit constructed with an aluminum post. It is intended for commercial and property applications where signage must be mounted on a freestanding post.

The kit pairs a privacy-model sign with an aluminum post, giving a classic aesthetic combined with durable metal construction suited to outdoor installation.
