

Ash Wood Privacy Post Kit, Black Finish, Complete Post Assembly

- Constructed from ash wood for a natural grain surface
- Finished in black for a consistent post appearance
- Privacy model configuration for sightline-blocking installations
- Supplied as a complete kit with matching post components
- Post-based mounting for freestanding installation

OVERVIEW

The B-F1-AW-PR-BK-KIT is a privacy model post kit constructed from ash wood and finished in black. It is intended for property and signage installations where a solid wood post with a privacy-style configuration is required.

The kit includes the complete post assembly in a matched black finish, providing a consistent appearance across the installation. The ash wood construction offers a natural grain surface suited to exterior or commercial display settings.

The kit is supplied as a ready-to-install assembly for privacy-oriented post applications.
