

WPC Fence Panel, 1760 x 90 x 25 mm, Ash Wood Finish, Co-Extruded Capped Composite

- Co-extruded capped WPC with polymer protective outer layer
- Core of high-density recycled plastic and wood fiber
- Waterproof and UV-protected exterior with 3D wood grain texture
- Ash Wood color matched across the fence panel range
- 1.76 m panel length for 1800 mm post-to-post fence bays
- 10 year warranty and 25 year rated service life

OVERVIEW

A wood plastic composite fence panel in the Ash Wood color, sized 1760 × 90 × 25 mm for use as an infill slat in privacy, mid-trellis and full-trellis fence assemblies built on aluminum posts, rails, brackets and base hardware. The panel installs horizontally between posts with a 4 mm gap at each post.

Construction uses co-extrusion, fusing a protective polymer cap to a core of high-density recycled plastic and wood fiber. The exterior carries a 3D wood grain texture and is rated waterproof with UV protection, with a 25 year rated life. Shipping weight is 5.82 lb.

The panel is covered by a 10 year warranty.
