

Dark Grey Full Trellis Aluminum Post Sign Kit

- Full trellis frame configuration for complete sign panel support
- Aluminum post construction for the mounting structure
- Dark grey finish
- Supplied as a complete, ready-to-install kit

OVERVIEW

The B-F1-DG-FULL-AL-KIT is a dark grey full trellis sign kit configured with an aluminum post, intended for commercial and light industrial signage applications. The full trellis frame design provides structural support for sign panel mounting in exterior or interior settings where a complete, ready-to-install kit is required.
