

Ipe Full Trellis Sign Structure, Black Post Mount

- Full trellis structural configuration for sign mounting
- Black post mount finish
- Ipe model line design
- Complete kit intended for ready-to-install use

OVERVIEW

The B-F1-IPE-FULL-BK-KIT is a full trellis-style sign structure from the Ipe model line, configured with a black post mount. It is intended for commercial and light industrial signage installations where a complete, ready-to-install trellis mounting solution is required.

The kit provides a full trellis configuration paired with a black-finished post, supporting sign display applications that call for a freestanding or post-mounted structural frame.
