

## Fencing L-Fix End Cap for Composite Fence Post, 51 x 46 x 24 mm

### OVERVIEW

The B-F1-L-CAP is an aluminum L-Fix bracket designed for use with end caps in the Suprotect composite fence system. One bracket is required per cap, securing the post cap assembly during installation of privacy, mid-trellis, and full-trellis fence configurations.

Constructed from aluminum, the bracket integrates with the fence post cap and is fastened using M4x16mm stainless steel screws. It is a component-level hardware item intended for use by installers working within the Suprotect WPC fencing system.

### SPECIFICATIONS

<b>Dimensions</b>	3.46" W x 3.46" D x 1.29" H (85mm x 85mm x 33mm)	<b>Warranty</b>	10 years
-------------------	--	-----------------	----------
