

Black Closing Post Kit for Fence System, 2300 x 80 x 80 mm

- Post dimensions 2300 × 80 × 80 mm
 - Weight 4.59 kg per unit
- Black finish for consistent fence line aesthetic
 - Functions as a closing/terminal post for modular fence runs

OVERVIEW

The B-F1-POST-BK-KIT is a black closing post kit designed for use with compatible modular fence systems. It provides a finished terminal end for fence runs, securing the structure and completing the installation with a consistent aesthetic.

Intended for commercial and industrial applications where a clean, defined boundary termination is required.
