

Aluminum Post Side Cover for Composite Fencing, 70.86" Length, Black

OVERVIEW

The B-F1-POST-CV-BK is an aluminum post side cover designed for use with the Suprotect wood composite fencing system. It mounts along the face of the aluminum post to conceal panel edges and provide a finished appearance on privacy, mid-trellis, and full-trellis fence configurations.

The cover measures 70.86" (1800mm) in length by 0.94" (24mm) in height by 0.55" (14mm) in width and weighs 0.32 kg per piece. It is fabricated from aluminum with a black powder-sprayed finish. Each fence panel set requires one post side cover; installers should note that an inside side cover is also required per post during assembly.

SPECIFICATIONS

| | | | |
