

Aluminum Post Side Cover for Composite Fencing, 70.86" x 1" x 0.55"

OVERVIEW

The B-F1-POST-CV is an aluminum post side cover designed for use with the Suprotect composite fencing system. It installs along the face of the fence post to conceal panel edges and provide a finished appearance on both the interior and exterior sides of the assembly. One cover is included per fence section set.

Dimensions are 70.86" (1800mm) in length by 0.94" (24mm) in height by 0.55" (14mm) in width. The cover is fabricated from aluminum and weighs 0.32 kg (0.71 lb) per piece. Finish is applied via powder spray or anodizing depending on the selected color, consistent with the broader aluminum framing components in the Suprotect system.
