

Teak Mid Trellis Kit with Aluminum Post

- Teak finish for a natural wood appearance
 - Aluminum post construction for structural support
- Mid trellis model configuration
 - Kit format includes trellis and post components

OVERVIEW

The B-F1-TK-MID-AL-KIT is a mid trellis model kit finished in teak with an aluminum post, suited to decorative structural or landscape applications. The design pairs a natural wood finish with an aluminum support system for outdoor and architectural installations.
