

Full Trellis Wall Light, Walnut Finish, Black Post Mount

- Walnut finish trellis-style housing
- Full trellis design covers entire housing face
- Black post mount accent
- Wall-mount configuration for exterior use

OVERVIEW

The Full Trellis Walnut Wall Light with Black Post Mount is a decorative wall-mount fixture combining a walnut trellis-style housing with a black post accent. It is suited to commercial and residential exterior applications, including building facades, entryways, and architectural accent lighting where a trellis aesthetic is specified.
