

Mid Trellis Walnut Wall Light with Black Post

- Walnut trellis housing design
 - Black post finish for contrast
- Wall-mounted configuration
 - Suited for exterior architectural applications

OVERVIEW

The Mid Trellis Walnut Wall Light with Black Post is a decorative outdoor wall-mounted fixture combining a walnut trellis housing with a contrasting black post finish. It is suited for commercial and residential exterior applications where architectural detail and material contrast are priorities, such as building facades, entryways, and covered walkways.
