- 5 mm sheet thickness suited to signage fabrication
- IP20 rated, non-waterproof for indoor use
- Backed by a 1-year warranty

OVERVIEW

The B-FB-BURDEO is a decorative foam board finished in burgundy, intended for signage fabrication, display construction, and interior visual merchandising applications. It is available in a 48 in x 8 ft sheet format with a 5 mm thickness, offering a lightweight substrate suitable for cutting, mounting, and surface printing.

The board carries an IP20 ingress rating and is classified as non-waterproof, indicating suitability for dry, indoor environments rather than exterior or wet-area installations.

A 1-year warranty applies to this product.
