

Foam Board Sign Panel, 4 ft x 8 ft, 5mm Thick, White Finish — Discontinued

- Panel size measures 4 ft x 8 ft for large-format graphics
- 5mm thickness balances rigidity with lightweight handling
- White finish surface for printing text, images, or graphics
- Made from paper-faced foam board construction
- Backed by a 1-year warranty

OVERVIEW

The Paper Foam Board is a lightweight sheet material measuring 4 ft x 8 ft with a 5mm thickness, finished in white. It is commonly used by professionals for presentations, displays, and visual aids where a clean, printable surface is required.

The white finish accepts graphics, text, and images with consistent adhesion, and the panel size provides ample working area while remaining manageable for transport and storage.

The product carries a 1-year warranty.
