- Rated IP20, non-waterproof, for interior applications
- Backed by a 1 year warranty

OVERVIEW

The B-MAR-BLACK is a black marble-look PVC wall panel designed for interior decorative applications in commercial and residential construction. Each panel measures approximately 48 in wide by 8 ft long at 3 mm thickness, covering 31.22 sq ft per panel.

The PVC construction provides a lightweight, non-waterproof alternative to natural stone veneer, rated IP20 for interior use, and is suitable for accent walls, wainscoting, and similar finish applications.

The panel carries a 1 year warranty.
