

PVC Sheet Board, Black, 4 ft x 8 ft x 1/8 in Thick, Indoor/Outdoor Use

- Measures 96 × 48 × 0.125 in for full-sheet signage layouts
- Black finish delivers strong visual contrast for graphics and lettering
- Rated for indoor and outdoor installation in varying weather conditions
- Weighs 9.5 lb per sheet for manageable handling and mounting
- Backed by a 1 year manufacturer warranty

OVERVIEW

This black PVC sheet board measures 4 ft x 8 ft with a 1/8 in thickness, making it a practical substrate for signage, displays, and a range of commercial or DIY fabrication projects. The black finish provides strong visual contrast, suitable for lettering, graphics, and mounting applications.

The board is rated for both indoor and outdoor use and is designed to hold up under varying weather conditions with minimal maintenance required. It weighs 9.5 lb per sheet, supporting straightforward handling and installation.

The product carries a 1 year warranty.
