

PVC Rigid Board Glossy White 4 ft x 8 ft x 1mm

- 1mm-thick PVC rigid board construction
- 4 ft x 8 ft sheet size (1.22 m x 2.44 m)
- Glossy white finish for direct printing and customization
- Resistant to moisture, chemicals, and UV exposure
- 1-year warranty

OVERVIEW

The B-PBS-1MM-W is a 1mm-thick PVC rigid board with a glossy white finish, available in 4 ft x 8 ft sheets (1.22 m x 2.44 m). It is suited for signage fabrication, retail displays, interior design applications, and architectural projects where a lightweight, dimensionally stable substrate is required.

The smooth glossy surface accepts printing and customization directly, making it practical for both finished display work and fabricated sign components. The PVC construction provides resistance to moisture, chemicals, and UV exposure, supporting use in environments where these factors are a consideration.

The product carries a 1-year warranty.
