OVERVIEW

This polystyrene (PS) sheet is offered in a clear finish and measures 1.22m x 2.44m x 3mm (1/8 in.), providing a full-panel format suited for protective covers, signage faces, display panels, and similar fabrication applications.

The clear PS material offers functional transparency for light-diffusing or see-through applications. At 3mm thickness, the sheet balances structural resilience with low weight, and can be cut or shaped to meet project-specific dimensions.

The product carries a 1-year warranty.
