

Round WPC Wall Panel, Matte Black — 6.3 in Wide x 9.68 ft, 25 mm Thick

- Wood-Plastic Composite (WPC) construction for interior cladding
- Matte black finish for a uniform architectural appearance
- Panel dimensions of 116.14 × 6.3 × 0.98 inches
- 25 mm panel thickness supports rigid wall installation
- IP20 rated, non-waterproof for dry interior use
- 1-year manufacturer warranty

OVERVIEW

The B-RWPC-BLACK is a round-profile Wood-Plastic Composite (WPC) wall panel finished in matte black, intended for interior architectural cladding and decorative wall applications in commercial and residential construction. Each panel measures 6.3 inches wide by 9.68 feet in length with a 25 mm thickness, providing a workable run suitable for accent walls, wainscoting, and similar finish work. The panel carries an IP20 rating and is classified non-waterproof, indicating suitability for dry interior settings rather than wet or exterior locations. It is backed by a 1-year warranty.
