

Mounting Clips for Wood Panels, 10-Piece Bag, Accessory for Slatted Wood Composite Panels

- Supplied 10 clips per bag for panel run installations
- Matched to 114.17 in x 8.66 in x 1.02 in exterior wood panels
- Compatible with slatted wood composite panel systems
- Supports light brown, dark brown, grey and black panel finishes
- Mechanical fastening accessory for exterior panel assemblies

OVERVIEW

These mounting clips secure slatted wood composite panels in LED lighting, signage and architectural wall installations. They are supplied as an accessory to the exterior wood panel line and are intended for applications where panel components require mechanical fastening to a substrate or support framing.

Each bag contains 10 clips. The clips are matched to the exterior wood panel format measuring 114.17 in by 8.66 in by 1.02 in, and support panel finishes offered in light brown, dark brown, grey and black.
