

Hollow Board Support Standoff, 40 mm W x 100 mm H, 25 mm Screw, Two-Pack

- Hollow standoff body measuring 40 mm wide by 100 mm tall
- Supplied with a 25 mm screw for direct board fastening
- Nominal 4 in height and 1 in diameter mounting profile
- Packaged two pieces per bag for paired panel mounting
- Accommodates varying board sizes and thicknesses
- Backed by a one-year warranty

OVERVIEW

The BS-10040 is a hollow board support standoff used to hold panels and boards away from a mounting surface in sign, display, woodworking, construction and electronics work. It measures 40 mm wide by 100 mm tall, with a nominal 4 in height and 1 in diameter profile.

Each unit ships with a 25 mm screw for direct fastening, and the hollow body accommodates a range of board sizes and thicknesses without altering the finished appearance of the panel. Supplied two pieces per bag for paired installations.

Covered by a one-year warranty.
