

Wall-Mounted Single-Bottle Aluminium Wine Rack Pegs, Black, 18 x 85 mm, 10-Pack

OVERVIEW

The BS-1885-A-B is a wall-mounted single-bottle wine rack peg designed for display and storage applications in retail, hospitality, and residential settings. Each peg is constructed from aluminium alloy and mounts individually to a wall surface, allowing flexible bottle arrangement and spacing. The black finish provides a clean, understated appearance suitable for a range of interior environments.

Each peg measures 18 mm in width by 85 mm in height. The product is sold in bags of 10 pegs, making it practical for outfitting full wall displays or wine storage installations.
