

Wall-Mounted Single-Bottle Aluminium Wine Rack Peg, Gold, 85 x 18 mm (10-Pack)

OVERVIEW

The BS-1885-A-G is a wall-mounted single-bottle wine rack peg designed for display and storage applications in residential, hospitality, and retail environments. Each peg is constructed from aluminium alloy and mounts individually to a wall surface, allowing flexible bottle arrangement and spacing.

The peg measures 85 x 18 mm and is finished in gold. Sold in bags of 10 pieces, these pegs are suitable for building out custom wine display configurations. Available in additional finishes including black, gray, and silver.
