

Acrylic Board Support Clip, 19mm W x 30mm H (4-Pack)

OVERVIEW

The BS-1925-A is an acrylic board support clip designed to hold and display acrylic panels in signage and display applications. Each clip measures 19mm wide by 30mm tall and is sold in bags of four, making it suitable for single-panel or multi-panel installations where a clean, hardware-visible mounting aesthetic is required.
