OVERVIEW

A brushed silver board support used to mount and space signage boards or display panels in commercial and retail sign installations. The standoff body measures 25 mm x 12 mm (0.98 in x 0.47 in) and produces a uniform reveal between the panel and the mounting surface.

The brushed silver finish suits interior signage, directories and panel displays where a consistent metallic appearance is specified across a run of fasteners. Supplied 10 pieces per bag for multi-point panel layouts.

Covered by a 1-year warranty.
