

Board Support Standoff, Silver Finish, 16 mm W x 25 mm H, 5/8 in Diameter, 6 per Bag

- Standoff body measures 16 mm wide by 25 mm high
- 1-inch mounting height with 5/8-inch barrel diameter
- Silver finish for consistent appearance across panel arrays
- Packaged 6 pieces per bag for multi-point board mounting
- Rigid hold resists panel movement and vibration
- Backed by a 1-year warranty

OVERVIEW

The Board Support Silver is a compact standoff accessory used to mount and space sign panels, boards and flat substrates in commercial and industrial installations. It measures 16 mm wide by 25 mm high, with a 1-inch height and a 5/8-inch diameter, making it suitable for a range of board sizes and mounting layouts.

The silver finish provides a low-profile, uniform appearance across multi-point installations. The rigid body holds the panel securely and limits movement and vibration, and the small footprint suits space-constrained mounting positions. Supplied 6 pieces per bag.

Covered by a 1-year warranty.
