

Stainless Steel Board Support Standoffs,
25mm x 25mm, Silver Finish, 4-Pack

- Stainless steel body resists corrosion, rust and surface wear
- 25 mm width by 25 mm height compact standoff footprint
- 1-inch diameter barrel for a secure, stable board interface
- Silver finish for exposed architectural and signage installations
- Packaged 4 pieces per bag for four-point board mounting
- Backed by a 1-year warranty

OVERVIEW

Board support standoff with a 25 mm (W) x 25 mm (H) footprint, used to elevate and secure boards in commercial signage, display panel and general fabrication assemblies. The 1-inch height and 1-inch diameter provide consistent elevation and a stable mounting interface across flat substrates.

Constructed from stainless steel with a silver finish, the standoff resists corrosion, rust and surface wear, supporting interior and exterior installations where long-term reliability is required. Supplied 4 pieces per bag for multi-point board mounting.

Covered by a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h

MECHANICAL

Product Dimensions 25 mm W x 25 mm H (1 in height, 1 in diameter)

Finish Silver

Material Stainless Steel

Mounting Standoff / board support

ORDERING

Warranty 1 y

APPLICATIONS

- Commercial signage panels
- Acrylic and glass display boards
- Retail wayfinding and directory panels
