

Gold Board Support, 25mm x 25mm, 4-Piece Bag

- Compact 25mm x 25mm board support for secure mounting
- Gold finish suited for visible, client-facing installations
- Durable construction for reliable, repeated use
- Sold in a 4-piece bag for multi-point board mounting
- Backed by a 1-year warranty

OVERVIEW

The BS-2525G Board Support is a compact mounting accessory designed to hold boards securely in place during presentations, displays, or transport. Measuring 25mm x 25mm, it is suited for use with a variety of board types and is intended for professionals who require a reliable, low-profile support solution.

Constructed from durable materials with a gold finish, the BS-2525G offers stable retention and a clean aesthetic appropriate for visible or client-facing installations. Its compact form factor simplifies installation and allows compatibility across multiple board configurations.

Each unit carries a 1-year warranty and is sold in a 4-piece bag.
