

Hollow Steel Wall Frame Holder,
19x30mm, 1 - 1/6" H x 3/4" Dia., 6-Pack

- Hollow steel construction for structural stability
- 19 × 30 mm body profile for low-profile frame mounting
- 1 - 1/6 in. height with 3/4 in. diameter barrel
- Supplied six pieces per bag for multi-point frame support
- Covered by a one-year manufacturer warranty

OVERVIEW

The Hollow Steel Wall Frame Holder is a mounting accessory used to secure frames and flat panels to wall surfaces in commercial and residential installations. Its compact 19 × 30 mm profile suits applications where a low-profile, repeatable mounting point is required.

Constructed from hollow steel, the holder measures 1 - 1/6 in. in height with a 3/4 in. diameter body, providing structural stability and long-term durability. Straightforward installation reduces labor time in the field, and units are supplied six pieces per bag for multi-point layouts.

Covered by a one-year warranty.
