OVERVIEW

This board support is a display mounting accessory that holds boards, panels and similar flat materials securely in place. Sized at 30 mm wide by 19 mm high, it suits exhibition stands, retail displays and professional presentation setups where appearance is a consideration alongside function.

The body measures 3/4 in. in diameter with a 1 1/6 in. height, and the polished gold finish provides a refined appearance for client-facing or high-visibility installations. Construction resists slipping or displacement of supported panels during use. Supplied 6 pieces per bag.

Covered by a 1-year warranty.
