OVERVIEW

The Board Support Silver is a mounting standoff designed to secure boards on a 5/8" (16mm) diameter body, measuring 16mm wide by 40mm tall (1.57" height). It is suited for commercial and industrial sign and panel installations where boards must be held firmly in position without shifting or displacement.

Constructed from durable metal, the standoff provides a snug, stable fit and a silver finish appropriate for exposed or semi-exposed installations. Its straightforward design allows for efficient installation across a range of board and panel mounting applications, and it is supplied 6 pieces per bag.

Covered by a 1-year warranty.
