

Board Support Standoff, Silver Finish, 22 mm Dia. x 40 mm Height, 6-Piece Bag

- Silver finish suited to exposed, face-mounted installations
- 22 mm (7/8 in) body diameter for standard board openings
- 40 mm (1-3/8 in) overall standoff height
- Packaged six pieces per bag for multi-point panel layouts
- Backed by a one-year warranty

OVERVIEW

The Board Support is a compact standoff used to secure and space panels and boards in commercial and industrial sign and display assemblies. The silver finish suits visible, face-mounted installations where the hardware remains part of the finished appearance.

The body measures 22 mm (7/8 in) in diameter with a 40 mm (1-3/8 in) overall height, providing a stable seat for standard-thickness boards. Units are packaged six pieces per bag for multi-point layouts along a single panel.

Covered by a one-year warranty.
