OVERVIEW

The Board Support Gold is a compact standoff designed to securely mount and support boards, panels and signage faces in commercial and industrial applications. Measuring 22mm in width and 40mm in height with a 7/8 in. diameter, it provides a stable, space-efficient mounting point suitable for a range of installation environments.

The gold-finish body resists vibration, shock and general environmental stress, helping protect mounted boards and extend their service life. Its compact footprint and straightforward installation make it a practical choice for contractors and technicians working in space-constrained setups. Supplied four pieces per bag.

Covered by a 1-year warranty.
