

Board Support Standoff, Silver Finish, 25 mm Diameter x 40 mm Height, 4 per Bag

- 25 mm diameter by 40 mm height standoff body
- Imperial equivalent of 1.57 in diameter and 1.5 in height
- Silver finish suited to exposed panel and sign installations
- Packaged 4 pieces per bag for four-point board support
- Fixed height holds boards clear of the mounting surface
- Backed by a 1-year warranty

OVERVIEW

The Board Support Silver is a compact standoff used to hold boards and panels securely in position. Measuring 25 mm in diameter by 40 mm in height (1.57 in x 1.5 in), it provides a fixed, repeatable mounting point for sign faces, display panels and electronic boards where movement or vibration must be controlled.

The unit is supplied four pieces per bag, allowing four-point support on a single panel. The silver finish suits exposed installations, and the fixed height maintains consistent standoff spacing across a run of supports. Installation is straightforward and requires no specialty tooling.

Covered by a 1-year warranty.
