

Board Support Standoffs, Gold Finish, 25 mm Diameter x 40 mm Height, 4 per Bag

- 25 mm diameter body with 40 mm overall standoff height
- Gold-plated finish for exposed panel and sign mounting points
- Imperial equivalent of 1 in diameter by 1.57 in height
- Metal construction for repeated fastening and load bearing
- Supplied four pieces per bag for multi-point board mounting
- Backed by a 1-year warranty

OVERVIEW

The Board Support Gold is a compact standoff used to secure circuit boards, panels and sign faces in fixed installations, holding the mounted board clear of the substrate and limiting movement and vibration in service.

The body measures 25 mm wide by 40 mm tall, equivalent to a 1 in diameter and 1.57 in height, which suits a range of board thicknesses and panel sizes. The gold-plated finish provides a decorative surface at exposed mounting points. Each bag contains four supports.

Covered by a 1-year warranty.

SPECIFICATIONS

OPTICAL	
LED Lifetime	50,000 h
MECHANICAL	
Product Dimensions	25 mm diameter x 40 mm height (1 in x 1.57 in)
Finish	Gold
