

Board Support Standoff, Brushed Silver, 25 mm W x 50 mm H, 19 mm Screw, 4 pcs/bag

- Compact body measuring 25 mm wide by 50 mm high
- Brushed silver finish for corrosion resistance
- 19 mm screw with 2-inch height and 1-inch diameter
- Screw attachment minimizes vibration for panel stability
- Packaged four pieces per bag
- Backed by a 1-year warranty

OVERVIEW

The Board Support Brush Silver is a compact mounting and support accessory used for securing sign panels and mounting boards, holding electrical components, and providing structural support in commercial and industrial installations. It measures 25 mm in width and 50 mm in height, and includes a 19 mm screw rated at a 2-inch height and 1-inch diameter for secure attachment.

The brushed silver finish provides corrosion resistance and a uniform appearance, while the compact form factor allows installation in confined spaces. The screw connection minimizes vibration and improves stability once the panel is set.

Supplied four pieces per bag and covered by a 1-year warranty.
