

Board Support Standoff, Brushed Silver, 30 mm Dia. x 50 mm H, 40 mm Screw, 4-Pack

- Brushed silver finish for exposed panel and sign mounting
- 30 mm diameter body with 50 mm standoff height
- Supplied with a 40 mm screw for through-panel fastening
- Packaged four pieces per bag for multi-point board support
- Robust metal construction for resistance to wear
- Backed by a one-year warranty

OVERVIEW

The BS-5030 Board Support is a brushed silver standoff used to mount and hold boards and panels away from a supporting surface. It suits sign and display panel installation, furniture manufacturing, DIY fabrication, and general workplace use.

The body measures 30 mm in diameter and 50 mm in height, approximately 2 in tall, and ships with a 40 mm screw for fastening. Its compact profile accommodates a range of board sizes, and the robust construction is intended for durability under regular service. Each bag contains four pieces.

Covered by a one-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h

MECHANICAL

Product Dimensions 30 mm dia. x 50 mm H (approx. 2 in height)
